

THE second and fourth placed sides in the Rothmans Isthmian League Division One meet tomorrow (Saturday) when Wycombe Wanderers entertain Bishop's Stortford at Loakes Park.

Stortford have been strengthened this season by the arrival of several class players. One of them is giant centre forward Tony Bass, no stranger to Wycombe, and last year's leading scorer with champions Hendon.

He decided to join the club at the start of the season and promptly scored in his first three outings. He is Bishop's top scorer this season with five.

Two Enfield players also signed on — John Payne and Tony Gibson. Payne, a strong defender, has played for England while Gibson was voted Enfield's "Player of the Year" last season.

There are two other new-

comers in the side. Peter Green who played for Durban City in South Africa and young J. Tone, formerly with Leyton.

Despite their position in the table, Stortford have lost three times this season. Their heaviest defeat came at Leatherhead when they crashed 3-0. Hendon and Woking have also beaten them.

In between those defeats, however, they have totted up a grand total of £200 for no less than five three-clear-goal victories.

Wanderers are unlikely to change the side that beat Tilbury in the Cup last Saturday and pipped Oxford City 1-0 on Tuesday.
